

BENCHTOP POINT OF USE (POU) WATER COOLER

The Cooee Water benchtop water dispensers are connected to mains supply.

These drain free units provide a cost effective means of supplying unlimited filtered drinking water. Their low profile means they will fit under low overhead cupboards. They are a perfect solution where there is limited space or you just want something smaller than our standard cooler range.

These units are available for purchase or rental.

Cooee Water
FILTER SYSTEMS
1300 026 633
